SATURDAY EVENING, SEPT. 27, 1902

Music Writing Made Easy. Music Writing Made Easy.

Mile. Saile was in the eighteenth entury the most accomplished and encinating balleteuse at the famous french Opera. In addition to her other qualifications, she played and sang with extraordinary artistic skill and depth of expression. She once cound-ed to Rameau, the noted musician, that her ardent wish was to be able to compose and asked him to give her a sw lessons in the art. "Nothing easfew lessons in the art. Noting dis-fer in the world," Rameau gallantly re-plied. He handed her a sheet of pa-per ruled for music and asked her to take her valuable breastpin and prick holes in the lines wherever she thought

After the lady had completed her task Rameau took the sheet of paper, turned each puncture into a note, determined its length, selected a suitable key, and the thing was done. This remarkable composition turned out a lively piece of dance music, which was afterward entitled "Les Sauvages Dans les Indes Galantes" and was popular in France for a great number of years.

| Model Digosts | Prepared by E. C. DeWitta Co., Dicago, The massive measurements is the independent of the property of the

Stam's Sacred Etephants. Few persons visit Bangkok without having a look at those parts of the royal palace open to the public. Here are situate the treasury, foreign office, department of the interior, royal library and the sacred white elephants. These last number four and can be seen by any one willing to pay a small amount of baksheesh to their keepers. They are rather a miserable looking let of beasts, their mottled gray color reminding one of a highly leprous Ohinaman, while, sad to say, they appear to the casual spectator to be only laif fed. Each has a separate house to himself, where he remains chained all day to a gilded post. Formerly political offenders of noble rank were sentenced to cut grass for the sacred animals, but this custom has now been bolished.-Straits Budget.

Eating Mushrooms. In the light of modern inquiry there seems to be no reason for believing that mushrooms possess any greater food value than other ordinary fresh vegetable foods, and in many respects they compare unfavorably with them, says the London Lancet. Still, the fresh, tender mushroom is undoubtedly easily digestible, as it contains car-bohydrates, in addition to some dietet-ic value. This value is not comparable with that possessed by essential foods such as meat, milk and eggs. The mushroom, however, contains an unusual proportion of potessium salts. Few will deny that the mushroom is an excellent adjunct to many dishes. It has an appetizing flavor, and this quality alone makes it dietetically val-

"The bow of a ship," says a humor ous bandbook of nautical terms, "is not evidence of politeness. It reminds us of a line in 'Flotsam Frem the

And the hands went up to the nose of the boat, displaying a lack of good taste, and first began to pull at her stays and then to scrub at her walst.

This, it may be remembered, occurred off the lale of Rudeness, where— A spit ran down to the bey, and a tongue of land projected in a most unmanmenty war.

An Exchange of Courtesies.
"No, suh," said Mr. Erastus Pinkley; nebber sold my vote to nobody."
"But that candidate gave you \$2." "Yassir. I doesn't deny dat. He es' come along an' gimme dat two, an' when a gemman comes along an' gives you \$2 foh nuffin' it ain't no mo' den common reciprocity to vote for him for nuffin'."—Washington Star.

Foiled Again. "You are in my power," cried the villain. "Ha, ha! Revenge is sweet."
"But," replied the heroine, playing her last card, "your doctor told you you must not indulge in sweet things." "Feiled again!" snarled be and faded away.—Modern Society.

A Certain Cure for Dysentery and Diarrhoea.

"Some years ago I was one of a party that intended making a long bicycle trip," says F. L. Taylor, of New Al-bany, Bradford county, Pa. "I was taken suddenly with diarrhoea, and was about to give up the trip, when edi-tor Ward, of the Laceyville Messenger, suggested that I take a dose of Chamberlain's Colic, Cholera and Diarrhoea Remedy. I purchased a bottle and took two doses, one before starting and one one the route. I made the trip successfully, and never telt any ill effect. Again last summer I was almost completely run down with an attack of dysentery. I ught a bottle of this same remedy and this time one dose cured me." For sale by Richard Gibson, druggist.

Beware of the Knife. Beware of the Knife.

No profession has advanced more rapidly of late than surgery, but it should not be used except where absolutely necessary. In cases of piles for example, it is seldom needed. DeWitt's Witch Hazel Salve cures quickly and permanently. Unequalled for cuts, burns, bruises, wounds, skin diseases. Accept no counterfeits. "I was so troubled with bleeding piles that I lost much blood and strength," says J. C. Phillips, Paris, Ill. "Dewitt's Witch Hazel Salve cured me in a short time." Soothes and heals. For sale by E. S. Leadbeater & Sons.

IMEDICINAL.

MEDICINAL.

Don't Treat Symptoms

Go after the cause. Stimulants and cathartics will never cure indigestion. They may temporarily relieve the system but the next meal clogs it again. The food should be digested. The nourishment—health—strength it contains should be appropriated—absorbed by the system.

KODOL Thrive

Thrive

This new discovery digests all classes of food and assists the stomach and digestive organs in assimilating and transforming it into the kind of nourishment that is taken up by the blood and fed to the tissues throughout the various organs of the body. Kodol cures indigestion and dyspepsis, thus removing the cause of all stomach troubles. Kodol gives such strength to the body that it is invaluable in all wasting diseases.

"I wish to thank you for what Kodol has done for me." writes Clifton Girton, Collett, Ind. "It cured me of dyspepsis after everything else had failed. When I tried Kodol it helped me right away. I cheerfully recommend is."

Kodol Diggests What You Eat.
